**CORNERSTONE COMMUNITY BANK HOSTING CASH DRIVE
TO BENEFIT FALLS AREA FOOD PANTRY**

MENOMONEE FALLS — Cornerstone Community Bank is hosting a cash drive at their Menomonee Falls location, N91 W17231 Appleton Avenue, during the month of December to benefit the Falls Area Food Pantry. “Each December, our goal is to raise awareness of hunger in the community,” said Paul Foy, president at Cornerstone Community Bank. “We encourage our customers, employees and the public to consider making a contribution to our drive during this season of giving. Cornerstone will continue to match donations given up to \$500,” added Foy.

The mission of the Falls Area Food Pantry is to gather and distribute food to residents in the greater Menomonee Falls area with acute or chronic need. With extra financial assistance, pantries can often get more for their dollars, address shortages and needs, and focus on high quality products. Cash donations help food pantries offer the widest possible array of products to the individuals they serve.

Falls Food Pantry is proud to serve residents from Lannon, Colgate, Hubertus, Richfield, Butler, Brookfield, Germantown, and Menomonee Falls. For additional information about the Falls Area Food Pantry, please visit www.fallsfoodpantry.org or call 262-251-6848.
